CERTIFICATE OF CONSTANCY OF PERFORMANCE

1015-CPR-E-30-00021-14

In compliance with Regulation (EU) 305/2011 of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this Certificate applies to the construction product:

Product: **Corrugated safety metal hose assemblies for the connection of domestic appliances using gaseous fuels**

Flexible element in gas conduits, inserted between a gas supply fitting or a quick release valve and the appliance connection point. The hoses are suitable for the connection of domestic appliances indoors and outdoors installed in areas where the regulations require reaction to fire. The hoses are suitable for areas with regulated reaction to fire (the hoses comply with Euroclass according to EN 13501-1+A1).

Type of product: **FPGS**

Commercial designation: **EURO FPGS 2**

Specification of product: see Page 2

Manufacturer: **FAMAS S.A.**
Ul. Kopernika 36, 90-552 Łódź, Poland

Place of manufacture: **FAMAS S.A.**
Ul. Kopernika 36, 90-552 Łódź, Poland

This Certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard

EN 14800:2007

under System 1 are applied and that the products fulfil all the prescribed requirements set out above.

This Certificate was first issued on 2014-01-17 and will remain valid as long as the test methods and/or factory production control requirements included in the harmonised standard, used to assess the performance of the declared characteristics, do not change, and the product, and the manufacturing conditions at the place of manufacture are not modified significantly.

Basis of Certificate issuance: Final Report 30-12294 of 2014-01-17

Brno, 2014-01-17
